

Steps To Make a Snowman

1. First you click on shapes and click the circle, make the circle outline and fill turquoise. Place the circle on the bottom center of the page.
2. Next do the same exact thing but make the circle a little smaller and place it on top of the previous circle.
3. Then do the same thing one more time but slightly smaller again. Then place it on top of the second circle.
4. Next click on stamps and click on the smiley face stamp. Arrange the stamp until it fits the size of the head of the snowman.

5. Then you go to stamps again and get the sunglasses. Put the sunglasses over the eyes of the smiley face.

6. Next you go to the shapes and click on the diagonal line and make arms coming out of the second circle.

7. Then you click on stamps and choose the peace sign stamp and put it on the ends of both the arms.

8. Next you click on the filled flower and make it lime green and put it from the second circle in a row and down to the bottom circle.

9. Then you click stamps and choose the medal and make it yellow. Then place it

on the right side of the flower buttons
on the second circle down.

10. Next you click on the present stamp
and make 8 presents in the colors of
your choice. Then put them on the
bottom left side of the page.

11. Then choose the bicycle and make it
red and put it on the right side of the
snowman.

12. Next get a circle and make it yellow
and put it on the top right side of the
page and put lines on the outside of it to
make a sun.
